

LIKE A STAR

for Daniel

Shoot for the moon, even if you miss it,
you will land among the stars.
We listen to the music and singing angels,
while you play the guitar.

**Turn off the sound, so that we can hear, we can hear
your words and your voice!
Turn down the lights, so that we can see, we can see
your fire and how it shines...
...like a star!**

Shoot for the moon, even if you miss it,
you will land among the stars.
Watching you driving fast and chasing clouds
in your heavenly car.

So when we look closer to the sky,
it seems to be so far...
All that remains in our memories and hearts,
is you as a star.

**Turn off the sound, so that we can hear, we can hear
your words and your voice!
Turn down the lights, so that we can see, we can see
your fire and how it shines...
...like a star!**
